

ORLC Special Meeting March 28, 2021

The council held a special meeting via Zoom to discuss the purchase of a video system that's compatible with the existing sound system. There were 19 members of the congregation present. Jamie opened the meeting & Jordan led with a prayer.

Different options were presented & discussed.

- 1) Purchasing the video system through Dakota Sound Systems with their quote of \$6,250. This quote does not include the purchase of a laptop to run the system.
- 2) Getting quotes from a couple other companies (Dickey Rural Network & Site On Sound in Fargo) for a comparable system.
- 3) Purchasing an iPad Pro which would be portable & could be shared with the youth groups & used during other out-of-church activities. One of the concerns presented was that a portable unit might get lost or broken.

Gary Andrys made a motion to give the council authorization to research & spend up to \$6,500 on a video system they felt best fit the church's needs. Kathy DeBolt seconded. Motion passed unanimously.

Amanda Huber made a motion to adjourn, Gary Andrys seconded. Jamie closed the meeting & Pastor Jordan closed with prayer.
