

**65th Anniversary Service
& Daycare Location
Organizational Meeting
July 19, 2021**

Council members Jamie Lagodinski, Heidi Kaatz, Christine Henderson, Amanda Huber & Beth Andrys met at the church, Pastor Jordan, Sarah Gackle & Jeremy Nitschke joined via phone. The purpose of this meeting was to plan the 65th Anniversary Service on 7/21/21 & discuss the daycare special congregational meeting that would follow the celebration.

65th Anniversary Service Discussion

Sarah will put a program together.

Since there was no VBS, Sarah will ask Janet Peterson & Jen McDermid to provide special music.

Due to extreme heat, the service will be held in the basement. Beth has a small karaoke machine.

Heidi purchased water & paper goods, Beth ordered a cake & will purchase ice cream.

Jamie will decorate. She & LeAnn will go through the book & look for statistics & history to send to P.Jordan.

Heidi ordered keychains to honor the 6 original members (Rod Ness, Dennis Leppert, Clarence Musland, LeRoy Musland, Sharon Fuhur & Cheryl Ness). They will arrive late so she will print up certificates to hand out.

Daycare Special Meeting Discussion

There is no building/location available as of now for a community daycare. The purpose of the special meeting is to ask the congregation if they would be open to the idea of offering the ORLC basement as a *temporary* location if it passes inspection. The church would basically be landlords & would not be involved in the actual operation of the daycare. Reimbursement, damages, expenses, etc. would all be discussed at a later date. Amanda is going through the space with Verle Jung from South Central Human Services to find out if the basement would work for a daycare setting. Jamie suggested that if it happens, the church be compensated (\$300-\$400/mo) for wear & tear. Egress windows might have to be installed in order for it to pass inspection. Heidi suggested any modifications needed (walls, dividers, etc.) all be temporary.

Pastor Jordan thought it would be a good use of our space. Christine brought up the idea of asking the congregation about the possibility of offering the church land to the west of the building as a location to build a permanent structure to house a daycare. Amanda said the school plans to build a 100x200 building in the lot east of the school. It was decided to hold off on that discussion for a later date. We need 17 members for a quorum. Jamie will set up a Zoom link & post on the church FB page. Amanda will ask Brandon to stop by & make sure the internet is working.
