

Daycare Special Congregational Meeting
July 21, 2021

Jeremy Nitschke opened the meeting & turned the floor over to council member, Amanda Huber who is also a member of JDA. Amanda explained the current community daycare situation & the need for a location to house a daycare. The congregation was asked if they were open to the idea of offering the church basement as a temporary space. After much discussion, Sharon Fuhur motioned that the church investigate the possibility of opening up the church for a temporary daycare location. Ryan Kaatz seconded the motion. Motion passed unanimously.
