Committee Reports

Worship: Fill-ins will be needed on 11/21/21 & 1/2/22

Stewardship:

Technology: Pastor Jordan requested an amplifier for his guitar, another microphone & different music stand. Jamie will contact Dakota Sound to ask about compatibility with our system. Beth asked to move the smart TV down to one of the classrooms in the basement to use during the pre-confirmation class.

Property: Jim Steele didn't get the bid on the railroad ties for the new fence but was working on another idea. The angle of the new railing was a concern. Since we weren't in the building at the time of this meeting, council decided members should take a look at it before the next meeting & go from there. Heidi suggested calling Vettors in Wishek about tarring the roof since Rod Garland in Oakes was not interested. (The north side needs new shingles, the flat part of the south side needs to be re-tarred). Jamie proposed putting a slant on it. Jeremy will call Jim Steele to ask his opinion & will talk to Jason Mathison in SD about tarring it. Once the roof is tarred we will work on repairing the soffits. The foam can be removed when the roof is tarred. Christine will ask Direct Electric about the condition of the ceiling fan in the basement kitchen.

Youth: Beth will ask if Amanda Cook will organize the SS Christmas program this year. Luther League will meet for the first time on 10/3/21 for a family fall cleanup of the church.

Evangelism: (Dolores Haberman is interested in joining ORLC)

Unfinished Old Business: Jamie will check on the status of the new camera system. Jim Stiles requested a small table replace the small pew in front to hold the laptop. Jamie will find out what size is needed. Purchase of pew cushions will be postponed. Christine still hasn't heard back from Direct Electric about lighting. Daycare in the basement has been put on hold until a director is hired. Council discussed how the Lenten offering money should be distributed. Christine made a motion to send \$100 to Kent Meidinger, \$100 to Gary Horsager & \$300 to NuWater Works. Amanda seconded. Motion passed unanimously.

New Business: "Honey Sunday" was proposed as an idea to help raise funds for the Dakota Boys & Girls Ranch.

Pastor's Report:

Next meeting will be Oct. 17th at 6:30 pm. Heidi made a motion to adjourn, Amanda seconded. Jamie closed the meeting & we ended with the Lord's Prayer.
