**Mowing** - Some people have been paying her and the kids when they see them out, some have paid the church. Next year, she suggests, that everyone pay the church and just make sure the money is marked for mowing. We need to do the sign-up sheet for mowing differently. Some people have signed up and then been crossed off and not realized it. Amanda will figure out who has paid and who hasn't and get invoices out. Cooks sprayed the lawn twice and it needs it again. They are planning on doing it. Sandy said that she and Red sprayed up front twice also and it needs it again.

**Bricks** - Tyler thought there is mortar that can be used to fix the bricks around the bell. He and Jamie are looking into that.
